Wet Set COLLECTION

± 1.85m x 1.80m x 53cm | 73" x 71" x 21"

INSTRUCTIONS:

1. Before inflating, ensure the pool is completely flat on a soft surface.

2. Connect the pump to the inflation valve.

3. Turn on the pump and inflate the pool until it is fully expanded.

4. Once inflated, check for any leaks or damage.

5. To deflate, simply fold the pool and use the pump to remove the air.

6. Store the pool in a cool, dry place.
